Name of the applicant ______________________________

(see Section I, item 3)

Name of Clinical Laboratory that offered the Training Program ______________________________

Address of Clinical Laboratory ______________________________

New York State Department of Health (DOH) Clinical Laboratory Permit Number ______________________________

Name of Cytogenetics Training Program Director ______________________________

Job Title ______________________________

DOH Issued Clinical Laboratory Director Certificate of Qualification Category ______________________________

During the entire time that Applicant was enrolled in the Training Program, were you the Clinical Laboratory Director, or Sole Assistant Clinical Laboratory Director of the Clinical Laboratory Identified above? ☐ Yes ☐ No

Do you currently serve as the Clinical Laboratory Director or Sole Assistant Clinical Laboratory Director of the Clinical Laboratory Identified above? ☐ Yes ☐ No

I hereby attest that the above-named applicant has completed a Training Program in Cytogenetics, which met all of the following criteria (check each):

☐ The Training Program covered: (a) human genetics and clinical cytogenetics, including chromosome structure/behavior and its correlation with phenotype; (b) laboratory principles and skills, including infection control, aseptic technique, quality control, quality assurance, use and maintenance of instruments, and laboratory mathematics; (c) specimen processing, including sample preparation, culturing, harvesting, slide preparation, staining, and chromosomal banding techniques; (d) chromosome analysis and imaging, including recognition and interpretation of chromosomal abnormalities; and, (e) molecular cytogenetic testing methods.

☐ The Training Program was at least 1750 hours (I year) and did not involve specimen testing or procedures that are outside the restricted license category for which the Training Program is approved.

☐ The Training Program provided continuous on-site personal supervision and training by qualified staff while the Applicant participated in the Training Program. All such Training Program staff met the following qualifications: (1) hold a DOH issued Laboratory Director Certificate of Qualification in Cytogenetics; or, (2) be a New York State licensed clinical laboratory technologist or physician who qualifies as a "laboratory supervisor" under DOH regulations (10 NYCRR section 58-1.4) who is authorized by the Clinical Laboratory to perform cytogenetic testing and authorized by the Training Program Director to train or supervise the Applicant.

☐ I have verified that the applicant successfully completed a the Cytogenetics Training Program.

☐ That the applicant started and completed the training program as follows:

Duration of Experience Starting Date ____ mo. ____ day ____ yr. Completion Date ____ mo. ____ day ____ yr.

I declare and affirm under penalty of perjury that the statements made in the foregoing application, including any attached statements, are true, complete and correct.
